RE: Post Closure Inspection
Atlanta Gun Club Road Landfill
Permit No. 060-026D(SL)
Fulton County

Dear Mr. Swopes:

On June 29, 2004 I conducted a Post Closure inspection of the referenced facility to determine compliance with the Solid Waste Handling Permit No. 060-026D(SL) and the Rules and Regulations for Solid Waste Management. The following violations observed during the inspection have been discussed with Mr. Tim Colbert and must be corrected within 15 days of receiving this letter.

- Provide updated Financial Assurance documents as requested in the previous inspection report.
- A sinkhole or low spot due to settling has developed on two areas of the Site and must be properly addressed.
- Remove all woody plants from the footprint of the Site.
- Provide all documentation requested on numerous occasions by the Land Protection Branch and commence appropriate corrective actions to avoid enforcement action being taken.

If you have any questions or comments concerning this matter, please call me at (770) 387-4900.

Sincerely,
