5,4108 City of Atlanta - Gun Club, Key Road, Cascade Rd, East Confederate

- 1) 07 - GW Reports: MNA question for vinyl chloride @ Gun Club
minor mod for CAP may be submitted
- 2) Key Rd - Entrenchment Creek Project was approved yesterday -> stabilize bank - well construction must be repaired (MM-19) - on bank there erosion taking place
- 3) East Confederate - minor mod needed; has been completed, but will be submitted (Need Minor Mod)
- 4) Cascade Rd back in compliance w/ methane (Need As-Builts)

Gun Club - New Commissioner - Basister, used to be a DC @ Watershed
plan to continue pushing to acquire property in July - now budget
ble right now no money; Have had money approved to do the sue
will go to Enterprise Fund; will start to pick up their own recycle
instead of paying someone else

- 1) w/ legislation
- Appraisal 2) legislation - money allocation
(surrounding)
No property owners wanted to do right of entry, wanted to sell
- 3 pieces of property owned by Brock - ready to sell
will take @ least 2 months for payment to Brock
- Parcel 9 - may be a challenge to obtain property; could have to be
done thru condemnation; waste on the property

million by
moved @
Key Rd
122 people
let 50 in Public
works

Green parcels - critical parcels for environmental buffer
Blue parcel - ~~open~~ owned by the city
Hard woods on property to be bought, but may have exposed was
Recycle now \$300,000/month to pick up; private Co. keeping recycle
43 million deficit now, before 143 million

Key Rd - Contractor ready; looking early June - mid June to start
fall for replacement of MM-19; mid Fall for CAP will be
to have public mtg for ACM
