Thank you

Hopfully the video cameras will catch many and make them pay for what they cost the tax payers to clean up their illegal dumping, as well as catch so many illegal activities on the streets. I am sure the residents in this area will be most grateful and feel safer too.

Thanks Jerry....We met as a team yesterday to strategically use all of the resources at our disposal to help combat the clean-up efforts. As we hammer out the final details, I will contact you and give you a run-down on how we are going to start the clean-up process. We are concerned, and it is a priority, I can assure you of that.....

Thanks,

Desmond
