

FACILITY Gun Club Road Landfill PERMIT NO. 060-0260(SL)

Pursuant to the requirements of the Georgia Comprehensive Solid Waste Management Act, O.C.G.A. 12-8-20, et seq. and the Rules of the Georgia Department of Natural Resources, Chapter 391-3-4-.02(4), Solid Waste Management, both as amended, the undersigned hereby:

- 1 Requests a minor modification as represented in the attached modified D&O Plan, and/or supporting documents;
- 2 Certifies that the Permittee is the rightful owner of the facility and can verify that this proposed modification shall conform to all local zoning/land use ordinances; and
- 3 Certifies that the information provided in or submitted by the facility Permittee as part of this request form and modified D&O Plan is true and correct, and if approved, the facility Permittee agrees to comply with provisions of this minor modification to the D&O Plan, provisions of the Act Rules, and conditions of the Permit.

TITLE Solid Waste Disposal Operations Manager

MAILING ADDRESS 55 Trinity Avenue, Suite 4700

CITY Atlanta STATE Georgia ZIP 30335

- II Briefly describe the exact changes to be made to the permit conditions and explain why the change is needed.

Additional methane monitor probes are required in the southeast (Baby Gun Club Landfill) and eastern (Gun Club Landfill) portions of the Gun Club Landfill. These additional probes will provide comprehensive methane compliance monitoring in these areas and be incorporated into the Gun Club Landfill methane monitoring plan. See Attachment A and Figure 1 for details.
